OBJECTIVE

While growth both professionally and personally is important, my real desire is to continue to apply my managerial experience, clinical background and 16 years of imaging insight to the goals and objectives already set forth by Florida Hospital within the field of Imaging.

EXPERIENCE 16+ years of relevant experience.

10 years
1999 to present

Florida Hospital
Orlando, FL

Ultrasound Modality Manager

- ▶ **System Ultrasound Modality Manager** | Modality expert for Ultrasound for a 7 hospital system. Update and ensure modality consistency at all campuses including modality protocols, modality worksheets, SOP's and general processes. Responsible for modality orientation, education, and training of staff. Perform rounding and Joint Commission tracers for 12 sites monthly. Manage ACR Accreditation process every 3 years. Research and develop new exams, processes, and protocols. Facilitate equipment evaluations and purchases. ★ First to achieve ACR Accreditation for 9 Ultrasound locations. ★ Developed and implemented current quality control program for equipment. ★ Developed and implemented current staff quality assurance program. ★ Received "Role Model" award 3 times in the last 5 years.
- ▶ **Ultrasound Manager** | Manage 10 Florida Hospital Ultrasound departments for 5 hospitals and 5 out-patient centers. Directly responsible for the day-to-day management and scheduling of up to 70 employees. Perform all hiring processes, HR processes, performance evaluations, and budgetary duties. Responsible for high level service recovery. ★ Reduced agency staffing costs to zero within the first year and for 10 years maintained 24/7 staffing coverage. ★ Exceptional performance record in managing labor within budget.

2 years
1997 to 1999
